The Officiant and Partner 1 and Partner 2 are collectively referred to as "The Couple" where applicable.

In consideration of the mutual promises, covenants, and agreements contained herein, The Officiant and The Couple agree to the following terms and conditions.

1. Ceremony Details

The Officiant shall perform a marriage ceremony for The Couple on _____ at approximately _____.

The ceremony shall take place at:

Venue: _____

Venue Address: _____

2. The Officiant's Responsibilities

The Officiant agrees to provide the following services under this Agreement:

Reserve the ceremony date, time, and location listed above upon receipt of the required deposit and signed Agreement.

Provide a preliminary confirmation to The Couple by email confirming the ceremony details.

Conduct a final check-in with The Couple approximately two weeks before the wedding date to reconfirm ceremony details and review any items needed for the wedding day.

Perform the marriage ceremony for The Couple at the agreed-upon date, time, and location.

Complete and sign the marriage license as required by the jurisdiction where the marriage license was issued.

File, mail, or return the executed marriage license according to the instructions provided by the issuing jurisdiction, unless otherwise required by local law or agreed upon in writing.

The Officiant represents that they are authorized to perform marriage ceremonies and solemnize marriages in the jurisdiction where the ceremony will take place.

3. The Couple's Responsibilities

The Couple agrees to the following responsibilities:

The Couple is responsible for obtaining a valid marriage license from the appropriate jurisdiction before the ceremony.

The Couple must provide the valid marriage license and government-issued identification to The Officiant before the ceremony begins.

The Couple understands that The Officiant cannot perform a legally valid marriage ceremony if a valid marriage license is not presented before the ceremony.

The Couple agrees to provide accurate ceremony details, including date, time, venue, address, and any special instructions.

The Couple agrees to notify The Officiant in writing of any changes to the wedding date, time, location, venue, or ceremony expectations.

4. Changes to Date, Time, or Location

The Couple shall not change the date, time, or location of the ceremony without first contacting The Officiant and receiving confirmation that The Officiant is available for the new date, time, or location.

The Couple understands that The Officiant may perform ceremonies for other couples on the same day. A change in date, time, location, or excessive lateness may prevent The Officiant from performing the ceremony.

If The Couple changes the date, time, or location and The Officiant is unavailable, The Officiant reserves the right to cancel services under this Agreement and shall not be held responsible or liable for non-performance.

If The Officiant is available for the new date, time, and location, the parties may sign an updated Agreement or written amendment reflecting the new details.

5. Ceremony Fee, Deposit, and Payment Terms

The total ceremony fee is \$_____, plus any mutually agreed-upon add-on services, travel expenses, parking fees, entrance fees, or other applicable charges.

A deposit of \$_____ is due at the time this Agreement is signed in order to reserve the ceremony date and time.

The remaining balance is due no later than 7 days before the ceremony date.

Accepted payment methods may include check, cash, Zelle, Venmo, Chime, CashApp, or credit card through Square, as accepted by The Officiant.

If full payment is not received at least 7 days before the ceremony date, The Officiant may cancel the reservation and release the date and time to other parties without further notice.

If The Couple wishes to make partial payments, partial payments may be accepted as long as the full balance is paid no later than 7 days before the ceremony date.

Reservations made less than 30 days before the wedding date require payment in full at the time of booking. Payments for reservations made less than 30 days before the wedding date are non-refundable.

6. Cancellation and Rescheduling

If The Couple cancels the ceremony more than 21 days before the reserved ceremony date, 50% of the deposit may be refunded.

If The Couple cancels the ceremony 21 days or less before the reserved ceremony date, the deposit is non-refundable.

If the ceremony is rescheduled and The Officiant is available for the new date and time, the deposit and any additional funds paid may be applied to the rescheduled ceremony date.

If the ceremony is rescheduled and The Officiant is unavailable, The Officiant may cancel services under this Agreement and any refund shall be handled according to the cancellation terms above.

7. Additional Time, Delays, and Late Fees

Fees are based on the ceremony services and service time agreed upon by the parties. If services go beyond the agreed-upon details, including but not limited to extensive additional phone calls, excessive email communication, delays in the ceremony start time, or additional waiting time, additional fees may apply.

The Officiant will arrive approximately _____ minutes before the scheduled ceremony start time.

If the ceremony starts more than _____ minutes after the scheduled ceremony time for any reason, The Officiant may, at their discretion, perform a shortened civil ceremony in place of the originally planned ceremony.

If The Officiant is required to wait more than _____ minutes past the scheduled ceremony start time, The Couple agrees to pay an additional fee of \$_____ per half hour.

Any late fee is due before The Officiant signs the marriage license.

The Officiant's ability to wait more than 30 minutes is at The Officiant's sole discretion and may depend on other scheduled obligations.

If The Couple wishes to reserve The Officiant's services for the entire day and waive the late-arrival limitation, this must be agreed upon in writing before the ceremony date and may require an additional fee of \$_____.

8. Travel and Expenses

Travel within _____ miles one way from The Officiant's address is included unless otherwise agreed in writing.

The Officiant's address for travel calculation purposes is:

Travel beyond the included radius shall be charged at \$_____ per mile round trip. Mileage shall be calculated using Google Maps or another mutually accepted mapping service.

The Couple is responsible for all venue parking fees, entrance fees, tolls, permit fees, or other location-related expenses required for The Officiant to perform the ceremony.

Additional travel expenses, including hotel accommodations, may be required if the rehearsal and/or wedding is more than 90 miles away. These details must be discussed and agreed upon before this Agreement is signed.

Hotel accommodations may be required under any of the following conditions:

The wedding is before 11:00 a.m. and more than 90 miles away, requiring lodging the night before the wedding.

The wedding is after 6:30 p.m. and more than 90 miles away, requiring lodging the night of the wedding.

The wedding is more than 90 miles away and The Couple requests The Officiant's attendance at a rehearsal the night before the wedding.

All travel expenses should be included in the total ceremony cost whenever possible and must be paid no later than 7 days before the ceremony date unless otherwise agreed in writing.

9. Rehearsal Attendance

If rehearsal attendance is included or later added by written agreement, The Officiant shall arrive approximately ____ minutes before the scheduled rehearsal time.

Rehearsal attendance, if not already included in the total ceremony fee, may require an additional fee agreed upon in writing.

10. Add-On Ceremony Items and Special Requests

The Couple is responsible for purchasing and providing any items required for additional ceremony elements, including but not limited to unity candles, memory candles, wine, roses, sand, glass-breaking items, handfasting cords, keepsake boxes, or any other special ceremony materials.

If The Couple requests special provisions, custom ceremony elements, readings, rituals, or add-on services from The Officiant, those requests should be submitted in writing no later than three weeks before the ceremony date.

Any add-on services, materials, or special requests requiring additional time, travel, writing, preparation, or coordination may result in additional fees.

11. Refusal of Services

The Officiant reserves the right to refuse any request for a reservation.

The Officiant further reserves the right to refuse to perform any service that The Officiant is not comfortable performing, even if a reservation was previously accepted.

If The Officiant refuses to perform a reserved ceremony for reasons unrelated to The Couple's breach of this Agreement, The Couple may be entitled to a refund of amounts paid, minus any non-refundable deposit or fees for services already rendered, unless otherwise required by law.

12. Emergencies, Illness, and Unforeseen Circumstances

The Couple understands and agrees that The Officiant shall not be held responsible or liable if The Officiant is unable to perform the ceremony due to illness, hospitalization, accident, transportation breakdown, traffic disruption, severe weather, acts of God, emergency, unforeseen incapacitation, or any other cause beyond The Officiant's reasonable control.

If such circumstances occur, The Officiant will make reasonable efforts to notify The Couple and, when possible, assist in locating a substitute officiant. However, The Officiant does not guarantee that a substitute officiant will be available.

The Officiant, their agents, representatives, and assigns shall not be held liable for damages, costs, losses, or expenses resulting from non-performance caused by circumstances beyond The Officiant's reasonable control.

13. Photo, Video, and Promotional Use

The Couple grants The Officiant permission to post photograph(s) or video(s) of The Couple with The Officiant on The Officiant's website, social media pages, marketing materials, or other promotional platforms.

The Couple understands that such use is for promotional purposes only and that The Couple shall not receive compensation for such use.

This permission does not expire unless The Couple revokes permission in writing and The Officiant confirms receipt of the revocation.

The Officiant grants The Couple permission to use photographs, videos, or other recordings that include The Officiant for personal use, including sharing with family, friends, vendors, and on social media.

14. Entire Agreement and Modifications

This Agreement, including any written attachments or addenda, constitutes the entire agreement between the parties.

No other promises, representations, warranties, or agreements shall be binding unless included in this Agreement or agreed to in writing by both parties.
